

**Board for Architects, Professional Engineers, Land Surveyors,
Certified Interior Designers and Landscape Architects
PROFESSIONAL ENGINEER INFORMATION SHEET**

All applicants must meet the current eligibility requirements at the time the completed application package is received at the board office. All forms must be legible. Application packages must include all required documentation and fees. Any additional information accompanying the license application must be identified with the applicant's name. It is the applicant's responsibility to ensure that the Virginia Board receives the completed package.

EXAMINATION ON BOARD REGULATIONS & STATUTES

Applicants for licensure or certification are required to read and understand the *Board for Architects, Professional Engineers, Land Surveyors, Certified Interior Designers and Landscape Architects Regulations* prior to applying for licensure or certification. Pursuant to Regulation 18VAC10-20-85, all applicants for licensure or certification must achieve a passing score on a Board-supplied examination pertaining to the Board's regulations and relevant statutes. After your application is received in the Board office, you will be sent an examination, which you are required to complete and return to the Board office for scoring; you will be notified if you do not achieve a passing score on this examination.

REQUIREMENTS FOR LICENSURE

Examination Applicants (applicants who have passed the PE exam)

- a completed *Professional Engineer License Application* and fee;
- three current *Professional Engineer Reference Forms* (less than one year old) completed by licensed professional engineers (in a state, territory or possession of the United States or the District of Columbia) - references must have known the applicant for at least one year and been associated with the applicant within the last 5 years;
- *Experience Verification Forms* to document all required experience;
- *Degree Verification Form* or official school transcript.
- *Verification of Examination and Licensure Form* to verify a passing grade on the Fundamentals of Engineering Examination (not required if the FE Examination was passed in Virginia); and

Comity Applicants with an NCEES Council Record (for those who have been licensed in another state, the District of Columbia, or any territory or possession of the United States)

- a completed *Professional Engineer License Application* and fee;
- three current *Professional Engineer Reference Forms* (less than one year old) completed by licensed professional engineers (in a state, territory, or possession of the United States or the District of Columbia) - references must have known the applicant for at least one year and been associated with the applicant within the last 5 years; and
- an NCEES Council Record (submitted directly to the Virginia Board) ★
 - ★ Possession of an NCEES Council Record DOES NOT guarantee licensure.

Comity Applicants without an NCEES Council Record (for those who have been licensed in another state, the District of Columbia, or any territory or possession of the United States)

- a completed *Professional Engineer License Application* and fee;
- three current *Professional Engineer Reference Forms* (less than one year old) completed by licensed professional engineers (in a state, territory, or possession of the United States or the District of Columbia) - references must have known the applicant for at least one year and been associated with the applicant within the last 5 years;
- a completed *Experience Verification Form(s)* to document all required experience;
- a completed *Degree Verification Form*; and (continued on next page)

- a completed *Verification of Examination and Licensure Form* to verify a passing grade on the Fundamentals of Engineering and Principles and Practice of Engineering Examinations (verification of the Fundamentals of Engineering Examination is not required if the FE Examination was passed in Virginia).

Reinstatement Applicants (for those whose license **expired five or more years ago**)

- a completed *Professional Engineer License Application* and reinstatement fee;
- three current *Professional Engineer Reference Forms* (less than one year old) completed by licensed professional engineers (in a state, territory, or possession of the United States or the District of Columbia) - references must have known the applicant for at least one year and been associated with the applicant within the last 5 years; and
- an NCEES Council Record (submitted directly to the Virginia Board) OR completed *Experience Verification Forms* to document experience from the date of expiration of the license to the present. *Any experience verified on forms other than those provided by the Department of Professional and Occupational Regulation will not be considered. Resumes and attachments are not acceptable. No credit is allowed for non-verified experience.*
- Evidence of compliance with the Continuing Education requirements set forth in regulations 18VAC10-20-683 (Evidence of at least 16 hours of board-approved continuing education courses) must accompany this license reinstatement application.

TOEFL iBT

Applicants for licensure must be able to speak and write English to the satisfaction of the Board. Applicants from a non-English speaking country or a country where the primary language is not English, who have not graduated from a college or university in which English is the language of instruction, shall submit to the Board a TOEFL iBT (Test of English as a Foreign Language) score report that reflects a score acceptable to the Board. Score reports shall not be more than two years old at the time of application.

In lieu of the TOEFL, other evidence such as significant academic or work experience in English may be acceptable as determined by the board.

EXAMINATION

Additional information concerning the examination is available from:

National Council of Examiners for Engineering and Surveying

P.O. Box 1686

Clemson, South Carolina 29633-1686

Telephone: (800) 250-3196

Website: www.ncees.org

**Board for Architects, Professional Engineers, Land Surveyors,
 Certified Interior Designers and Landscape Architects
